“ I met Don first at the Y IN Pilates class. He was the class clown, so friendly and funny. Then I meet him at St Therese’s Church. Where I am a parishioner. He will be greatly missed.

“ Don was my mother's boss for 25 years and he was always so nice to me. I wouldn't know anything about Flight Simulator if it wasn't for him, as he started me out on the very first version while they were working late one night at Ingersoll-Rand. I will always remember his laugh and helping him pronounce "southern" words. I remember dog-sitting one time for him and Barbara as well. Very sad to hear of their loss.

“ Don was a humble guy who loved being of service. He worked at so many events at St. Therese that it would be hard to think of something that the Knights and MOST did that he was not a part of. He was a founding member of MOST (The Men Of Saint Therese) and the groups only "habedasher". He provided all the logo clothing for the group. He was a KEY man in more ways than one. For years he would be at Donut Sunday at seven A.M. to let us in. Barbara and Don will be missed. I have this feeling that when they arrived at heavens gate the first thing Don said was " What do you need help with up here" that is the kind of guy he was Rest in peace and God's welcoming arms.

“ Don was the energizer bunny of St. Therese! He was involved in so many activities. I remember him with the MOST group (Men of St. Therese) with their Coffee and Donuts Sundays, among other times. He was always smiling and will be sorely missed by so many. May he rest in peace.
