“ Don,

Where to start I'm not quite sure. From the moment you hired my mom (giving her a chance of someone who came from the soccer world and didn't know a lick about windows and doors!) to welcoming our family with opens arms, to now children of my own. Some of my fondest memories are when you & Kathy took me in for the summers at your Lake Gaston house and I kept you on your toes making sure you supplied enough of your famous dip even on ice cream! Fast forward years to one of my favorite pictures on the airstrip with my kids who refer to you as "Don with the airplanes". Memories we will cherish forever which we would have never had if it weren't for YOU! Rest easy Don the Honeycutt family loves you.
