“ Don was a friend, neighbor and co-worker (Olympia Police Dept.) He could always be counted on. He was awesome with my kids. Most of all we had fun. One of my best memories was our 3 day trip from Olympia to Kansas City, MO. and back in a two wheel drive pick up (in the snow) to get his '69 Torino race car (formerly David Pearson's car). Waking up to the snow blowing backwards as the trailer led the way at 70 mph was very interesting as was Don's explanation to the Colorado State Trooper (he didn't buy that Don had only been going 35 in the snow and ice).
