“ NB, Austin, Lisa & Isabella and rest of family, we are so sorry for your loss of Donna, when I lived in the Mooresville area I did get to meet her and I knew then that she was a special person with a lot of love to give to all. May God be with all of you during this difficult time and cherish all of your wonderful memories of her, know that she is in no pain and in a much better place than we are today and that you will see her again. In the meantime know that she is your "Guardian Angel" watching over each of you every day. God Bless each of you in the coming days, months and years as you go forward.
