“ *OMG Donna!! I just found out today what happened to you...I am devastated that you will no longer be sitting behind me at the Panther's home games....I am so sorry I was not there to offer my condolences to the family...Miss Donna was a special lady...I'm gonna miss getting beers spilt on me...but I'm sure Kelly and Troy will continue the tradition...your spirit will live on in them and all her children and grand children. I will never forget you and I know you will still be with us in spirit at every game.*

“ To the entire family and friends of Donna, Please accept my deepest sympathies for your profound loss. My daughter, Heather Fries Hinson, went to school with Kelly. She told me she really enjoyed being with Kelly and her mom (and the Reynolds family) on different occasions. She said Donna was a really "fun mom" and such a nice person. I can tell by her picture she had twinkling eyes and a smile that spoke volumes. I am praying for God to keep you in His loving arms and give you the comfort, only He can provide, during these coming days. You all will continue to be in my thoughts and prayers. Sending hugs.
