“ *Sherry and Family—I am deeply saddened to read of Donnie’s passing. He was a special guy, one who absolutely charmed my mom when they both worked at Mack’s in Mooresville. He was funny, witty, quick witted, and considerate. We are all less so with his passing. Please feel my love and caring at this very sad time.*

“ Sherry and family, Donnie was such a nice, kind hearted man and he will be missed. I often saw him working on his parents house on West McNeely on my way home from work. I'll never forget him bringing over that table and chairs for me when I didn't have the complete payment for it and letting me pay him as I could. Of course I still have it, so everytime I see it I'll remember his kindness and trust. Sherry I love you and if I can do anything for you during this difficult time, please ask.

“ I remember Donnie from Miss Sloop's first grade class at Park View and all the way through MHS. He was friendly, funny, and always kind.

I pray God's peace and comfort for his family and friends. May his memory be a blessing.
