“ Dora was such a wonderful caregiver to our mom, Mary Davis. We came to love her and considered her family. She lived her faith! She spoke often of her family, whom she cherished; especially those grandchildren, whom she enjoyed spending time with. I will always remember her as such a caring, loving , Christian person. My thoughts and prayers are with her family at this time.

“ Dora was a wonderful person and will certainly be missed. We made her a part of our extended family when she started caring for our mother. She was so special to all of us and we loved her. As family. Mom was really given love and special care from Dora and we know she was an angel on earth and we know she has earned her wings. Know how the pain of losing her is but knowing where she is and that she left beautiful and loving memories for you. Love and prayersSybil angelley
