

Doris Elaine Baker Myers

April 15, 1946 - February 1, 2026

Doris Elaine Baker Myers, 79, of Cramerton, North Carolina passed away peacefully on Sunday, February 1, 2026.

She was predeceased by her husband, parents, four brothers and one sister. Sharing in the grief of her passing are her daughters Tara Owens and husband Tom, Susan Allen and husband Chuck and son John Hughes, six grandchildren and one great-grandchild.

Born and raised in Ohio, Doris was employed by the police department and several companies throughout her long successful career while raising her children. Moving to North Carolina turned out to be so rewarding and developed close ties with her daughters and grandchildren. There was nothing Doris could not create as far as sewing clothes, purses and children's items. Her family has many of her originals to treasure for a lifetime. Doris was an avid reader who loved nothing more than escaping into a good book and she passed that love onto her daughters. She enjoyed cooking for her family and keeping up precious traditions throughout each year. She took trips with her family year after year to create lasting memories, especially to the beach enjoying early cups of coffee and watching sunrises.

Most important to her was her family and she will forever be remembered as a loving, devoted wife, mother, grandmother, great-grandmother, sister, aunt

and friend. She leaves a legacy and will remain their guardian angel until they are each reunited again.

A celebration of life service will be held by the family this summer at her favorite beach.

The family would like to extend their sincere appreciation to all the kind nurses, physicians and staff, her friends, and all of her children's friends for their unwavering compassionate and supportive care and prayers over the years. Your kindness will never be forgotten.

In lieu of flowers, the family requests your prayers or well wishes during this difficult time.
