

Douglas Charles Frank

October 13, 1948 - December 22, 2019

Douglas (Doug) Charles Frank of Mooresville, NC, passed away peacefully on Sunday, December 22nd, 2019 with family by his side. He was born in Queens, NY on October 13th, 1948 to the late Charles and Marion Wodzinski Frank. He grew up in Long Island, NY and moved to West Chester County, NY during his high school years where he met the love of his life, Margo Frank. They married on May 26th, 1973.

He is survived by his wife of 46 years Margo; children, Jennifer Frank Wolfe, Gary Frank, Greg Frank; brothers, Brian Frank (Kathy), Jeffrey Frank (Susan); and grandchildren, Braden and Rylan Wolfe.

He was diagnosed with Pancreatic Cancer in January of 2017. He courageously battled with optimism each day. His positive attitude and lighthearted jokes made all of those who were blessed enough to know him laugh, smile and appreciate life to the fullest; even during his most challenging days.

Doug loved playing the drums, spending time with family and friends, and was always the first person to be there for anyone in need of any type of help or support.

He worked in sales for the majority of his career and later became involved

with real estate as well. Over the years he quickly made friends with colleagues; many of which evolved into lifelong friendships.

A Celebration of Life will take place at 2 pm on Sunday, December 29th at Centre Presbyterian Church in Mooresville, NC with Rev. Dr. Robert M. Howard officiating.

In lieu of flowers, memorial donations may be made to Levine Cancer Institute Pancreatic Cancer Fund in c/o Atrium Health Foundation, 208 East Blvd. Charlotte, NC 28203 or atriumhealthfoundation.org.

“ I've known Doug for over 20 years, having first met him after becoming friends with his son Greg in high school. For many years, Greg would travel with my family to Florida for summer vacation, and I would travel with his family to the beach. On my first trip to the beach, Doug was so impressed with my ability to eat that he nicknamed me "the Bucket". He always said: "if you've got extra food, put it in the Bucket". This nickname has been with me for over 20 years now. I always referred to him as Bo\$\$Bux, which was his AOL screen name (this was the late 90s). He always treated me like family, and wouldn't hesitate to call me for computer, internet, and television technical support. He was a wonderful man and I send my sincerest condolences to the family. I've added a picture that I feel captured his personality. This was him playing drums last Halloween at a local spot in Mooresville.

“ My memories of Doug are too many to talk about. They are filled with laughter, music, and a friendship that was unique in my life. Above all things, Doug was a good man. Although we somehow lost contact years ago, his impact on my earlier life remains with me and shall remain with me for the rest of my days. I was shocked to hear the news of his passing, and my heart goes out to the singular love of his life, Margo, and to his children and family. One of the most unique and wonderful men I have ever been fortunate to know, he will be missed. Best drummer, best joke teller, best friend, best card partner, he lit up smiles on everyone who he came in contact with. Rest In Peace, Doug. You lived the good life. My condolences, Margo.

“ Doug was fondly known to many of us as "Dougie Fresh". I guess it was his "rapper name" ha! We spent many sales meeting and trade show evenings around dinner tables with cocktails where Ron made Doug blush more than once and pranked him so many times. He always had everyone laughing with him.

But even more than that I could always count on him to be the voice of reason when I needed to draw on his vast experience and wisdom. Doug talked me off plenty of ledges. His calming nature made it seem like everything was always going to be OK even when it felt like the world was caving in.

When my son, Austin, came to work for me, Doug was the first person to step in to get to know him and offer his assistance along the way. Doug checked in on him from time to time and encouraged him to pursue his dreams and enjoy his life. I am so thankful he had a mentor like Doug.

I am honored to have known him and so happy that he touched my son's life as well.

He will be missed and always remembered with a teary-eyed smile.

“ *Doug Frank, I was lucky to have him as a cousin. So many memories we have had. One was when he was taking me home to Bayshore LI and he put the top down on the car when we were going over the throgg neck bridge and music playing loud blast. He was always alot of fun. It has been 19 years since I have seen him. Doug you will be missed. My condolences go out to his Wife and Children and Family. Love you Susan and Bill Oncken from Missouri.*
