“ I worked with Doug for 12 years at Freightliner. We were on the weekend night crew together a few years back. Doug was always the "go-to" guy for any challenging mechanical project. But more than his mechanical expertise, we appreciated his positive attitude and easy going demeanor. He was truly a top notch guy and will be missed greatly by everyone here. Our prayers are with you all.

“ My deepest condolences to the family and friends of Doug, I worked with him for about 20 years in the maintenance department at Freightliner Trucks in Cleveland NC. Doug was a very good co-worker and friend of mine, and also a wealth of knowledge when it came to the facility and his job. All of our hearts are empty as we try to accept his passing. Doug had a positive effect on everyones life he touched. "To be absent from the body, is to be present with the Lord. -2 Corinthians 5:8" God bless, Doug you will certainly be missed.

“ I first met Doug many years ago when everyone hung out and cruised mooresville. Super nice guy. I remember him as that lil guy in that big ole truck. Still to this day when his name was mentioned I have a flash back to him riding thru with a arm propped up on the door and those big mud tires roaring as he smiled and passed by.
