2023 Dec 12 I discovered my brother Doug passed.

If you receive this, you will probably be as shocked as i was.

In life you always regret the things you did not do (more than what you did).

So much time had pasted.. I always felt the need to reach out, but decided it better to keep my distance so as to not to a disruption in your family's life.

I don't know if i made the right choice.

I loved Doug like only a brother can and I'm deeply saddened with news of his passing.

But.. I am happy to read you & Doug went the test of time (in Today's world that is rare thing).

You will not hear from me again, but if you would like any old photo's i have of Doug,

sent me an Email address and will start sending everything i have.

Be Well and hold on to the ones you love.

“ Dear Cindy, Megan and Shanyyn,
My sincerest condolences for you at this time. I wish you peace,
comfort, courage and lots of love at this difficult time.
I worked with Doug at Dentsply and he was kind, caring and
respectful. We then recently worked together at Corning. He was
great human being and will be missed.
My heart goes out to you and his family.

“ *I knew Doug when he was at Densply Sirona and I was an outside tax consultant. I loved working with him and we then became friends. I was so happy to see him start his own tax consulting business. We often consulted with each other on various tax issues we had at our clients. I will miss those discussions as well as our friendship. He was a very nice person who loved his family. My condolences to them. They have lost a great man here on earth but gained a guardian angel in heaven.*

“ *Condolences to the family, I didn't know Douglas very well and only recently met him. I know he will be missed by all who got to know him and who loved him, even though I didn't know him long I consider him my brother as we both had served in the military although in different times. RIP brother and it will be an honor to take you on your last short journey on this earth, God has called you home and you will be waiting for all who loved you.*
