“ *To the family of Geneva, Please know my deepest sympathies are sent to you all for the loss of a wonderful lady. I worked at C&K with Geneva for several years and learned so much from her. She was always like a mother to me during many times of life experiences and I will always remember her as a perfectionist in all aspects. I'm sadden to learn of her passing and sending prayers to you all.*

“ To Geneva's Family,I knew Geneva, as well as all the Comptons. I sang in the choir with Geneva and we had such fun. She was a great person. She was nice and friendly and I always felt better after being with her, whether in church or outside. Our families would get together often. May God grant all of your peace.
