“ *I never saw Dean when he wasn't upbeat, even when battling his illness. I think it is because he was so loved by his family, and you could tell he loved them dearly as well. I will be praying for Dean's family and friends during this time. May God be with them in this difficult time.*

“ I had the distinct pleasure of working with Dean for a little over one year at Mountain Air Cargo and he was always a delight to be around. Although we did not work in close proximity on a daily basis I always knew he would be able to answer my questions and help me in any way he could. He always had a smile or a witty thing to say, great sense of humor and generally one of the nicest people I have known. I am truly sorry for your loss. God bless Dean and you!
