“ I met Ed once when his brother-in-law, Scott - whom I work with, asked Ed to take my son and I on a personal tour of Charlotte Motor Speedway. We got to ride in the security car and heard all about his life in NYC as a detective He was a very nice guy to take time of out his work responsibilities to show a huge Nascar fan around the speedway and very knowledgeable on our questions about the track and he told us stories we would never have heard of before. I often asked Scott how the family was doing in NC. Sorry for the loss and condolences go out to the Hendrickson family.

“ I want to thank Ed for bringing me and Eddie out to the drag racing strip, next to Charlotte motor speedway, back when I was about 14. I never saw a drag race before that. Big Ed always had a joke or two to crack and always asked me about my old man and how my life was. My thoughts, prayers, and deepest condolences go out to your whole family.

“ Eddie was a true friend. He was a great Detective retiring as a First Grade Detective, a achievement that few ever achieve. Ed loved his family more than anything, he loved his NYPD family and friends as well. Hitting a door while performing our police duties Ed was the first person to not only hit that door, the person I always wanted by my side. You will be missed my brotha, but never forgotten. One of the greatest. Sending my love to his beautiful family, wife Wendy and their three children and grandchildren. Love Rick Tirelli 🤝🙏🥹

Eddie was one of the best Detectives I've worked with during my years in the NYPD. His knowledge of police work and bad guys was second to none. I worked cases with him while assigned to the 105 Sgd., then along side him in the 113 Sgd.. Was always a pleasure and a funny dude. My condolences to Eddies wife Wendy and his family. Much love & Respect my brother & God bless 🤝

Wendy, what a shock. I didn't know Ed in person but through your stories I felt like he was one of our family. Serving his community, with nature out in the woods or at peace on the water. My heart breaks for you. A large warm Hug 🤝 for you and your family

*Eddie was a great detective and an even better man. I had the privilege of working a number of homicides with Eddie over the years and his dedication and compassion for the victims and their families was always paramount. It was a privilege to have worked with him. Although, I hadn't seen Eddie for a number of years now, I will miss him. My deepest condolences, love and respect to Eddie's family and friends. May God bless and keep you. Rest In Peace my friend. Brad Leventhal Former Homicide Chief, Queens DA's Office.*

I'm sure his role as Grandpa was one of his favorite titles to own and he was super proud. Ed will be missed by so many. My condolences to you and the kids. Sending prayers above for comfort and strength for each of you at this time. May Ed Rest In Peace in Heaven pain free.*

*I will always remember Eddie from our Brentwood neighborhood. From snowball fights to family gatherings. In elementary school he was proud to be and wear the hall monitor badge. He was destined to become a police officer. I am so very sad to hear of his passing. My sincere sympathy to his family and friends.*

*Just found out and am so sorry that it💎💎💎s over a year now.  
Have missed Eddie for a long time though Wendy... since ya's moved  
to the Carolinas; just never could find your new address.  
Found Eddie's old Detective Card today cleaning out my desk.  
My sincerest condolences to you and your family Cindy.  
To Eddie's countless friends and acquaintances, we were blessed for  
any interaction with him.  
I do look forward to meeting Eddie again as have made a conscious  
effort to live according to Jesus Golden Rule.  
Eddie exemplified that philosophy of life and surely he is now where  
those that lived a full yet righteous life will have a place with our  
Almighty Creator.  
May God Bless us again with a proximity to Eddie's Soul and Spirit.*
