“ Ed became a dear loved one and good friend to our family. He and his wife Jean are very loving and caring people. He loved his wife and his children very much. He loved my son Ricky as his own and called him his syn. He was very much looking forward to the day my son married his daughter. His first grandchild is due soon and we will do everything we can to ensure she knows that her Grandfather was such great man and that he loved her even before he met her. He will truly be missed by all who knew and loved him. Please keep his family in prayer. We know we will see Ed again in glory!
