“ Gary, Gina and Greta, we wanted to honor your father Ed Miller and let you know you are in our prayers as you adjust to life without either parent. We didn't know your mother has also passed away recently so close together. May the LORD's reassuring grace and presence of resurrection Hope and Glory multiply in your heart in the days ahead. Even as a child in the short time we were at Vanderburg I knew your father was one who deeply loved GOD and wanted to further discover what he could be in relationship with his Heavenly Father. That meant a lot to many persons and it certainly inspired me to further see what it meant to walk with Christ. The LORD's very best to each of you!
