“ *I send my deepest condolences to the family and friends of Mr. McElveen. Although I did not know him personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!*

“ Cynthia, We are so saddened for your loss. Eddy was a great neighbor and friend. He was always willing to come over and help us with any problem, big or small. We loved to watch you all at the dock getting ready for a boat ride. We do miss the lake living very much, but we realize that moving into Charlotte to Aldersgate was the best solution for us. Thanks for all your help and friendship over the years., We hope you can visit us after you have time to relax. You have been so good and faithful in Ed's sickness and you deserve some time-out .for yourself. Please give our regards to your new neighbors, and tell them to contact us if they have any questions about the house. We are so very sorry to not be there for the visitation, but we wish you and your family best wishes for the future. Please let us know if we can help you in any way. Our best regards, Linda and Chester
