“ *To Kathy and family. I worked with Eddie since 1971 and can truthfully say I have never seen Eddie angry at anyone and always smiling and ready to greet anyone with a big smile and a handshake. He enjoyed work and made it an enjoyable place to come to. Missed him when he retired and gonna miss him even more now but know he is in a better place. Our thoughts and prayers are with you.*

“ To Kathy and family. I forgot to sign the guestbook when I was there at the receiving. I like Tony has worked with Eddie since 1975. He was an awesome friend and co-worker. I mentioned to Kathy and Amy that he will greatly missed. May God bless you all. Also I talked with Dean and Mary Ann and God Bless everybody. May he draw you near and protect you during your time of need and may he enhance Eddie's memory both now and forever. I will miss him and his jokes and things. Sincerely, Neal Long

“ Eddie was one of the nicest people I know I was proud to call him and Kathy my friends. I would like the family to know that to be absent from the body is to be present with the Lord. I know that Eddie is with the Lord today! Hold on to your faith and each other in this difficult time and remember that there's people that love you!

“ Kathy, I am sorry for your loss. I will be praying for you and your family, Eddie was a great boss and I learned a lot from him while I worked for him. He was also a true friend. When he was mad he was still a nice person and this world we live could use a lot more of Eddies.

“ *Eddie will be sorely missed. His smile, his laugh, his stories, his friendship. I've never known anyone so easy to be a friend. Each time we saw Eddie was like meeting an old friend that was so happy to see you again. He always greeted us with a kind word and he was truly glad to be in our company. Eddie loved his family as could be seen by his life. We will miss him but we know there's a promise from our Heavenly Father that we will meet again on the other side. Our love and prayers to Kathy and all the family.*
