“ Elaine was a client of mine at my hair salon in Daytona Beach. My name is Regina and I would just like to say that Elaine was a sweet woman and we had many conversations. Some more funny and some were very heartfelt. Sadly I was looking at a list of clients I have lost in the past and saw Elaine's name and decided to see if there was an obituary online. I myself lost my Mother in November of 2020. Maybe they found each other in Heaven because they knew who each other was. May she rest in peace and God bless her. 🙏🌹

“ I send my deepest condolences to the family and friends of Mrs. Perras. Although I did not know her personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 speaks of our loved ones being resurrected, and eventually living in the conditions described at Revelation 21:4, which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." May the promise of this beautiful resurrection give you all hope for the future and peace of mind now!
