“ What can I say you were the sunshine in Lary's life, your grandchildren, and your furry baby Penny. I remember when we were all at a Xmas club gathering and you had Penny with you and you needed to get home after the party. It was quite cold and that heater was on for your baby and for us as we were waiting for Lary to take you home.

Rest In Peace my Latina buddy. Sofia

“ I remember many times of sharing time and talking and having fun with Candy Striper during USMVMC events. She was a character. And everywhere she was, there was little Penny dog. I am so sorry One-R and your family for your loss—you are in my thoughts and prayers. Love you!

“ Betty "Boop" Smith was one of my long time dear friends - almost 50 years. I will miss her so much. Since she moved to North Carolina we spoke on the phone, and in October (except for 2020) went to visit her, Larey and their sweet dog Penny at Folly Beach in South Carolina. We also spent many years on girls' retreat in California and also went on many ski trips all over the West Coast. Our trip to New Orleans for Mardi Gras was one of the greatest. Betty was a very funny lady and a very loyal and trusty friend. She was always there not only for me but for many of her friends. I shall always remember her warm and loving smile and her many funny stories. Betty you were the greatest - rest in peace my dear friend. Love you forever.
