“ *I can not express how much my Aunt Betty meant to me. She was so caring and did truly love us Seidel kids and I thank her for that. I never felt unwelcome in her home. I loved to see her and my Mom (Frances) together. The stories they would tell were so much fun to listen too. Now they are together again with their parents, their spouses and all our family members that have left us all to soon. Love and miss you all. I'll see you again someday God willing.*

“ Mom, you were the string that tied us all together! You could build us up when we were down, set us straight when we were not headed in the right direction and dry our tears when we had learned our lesson. Your door was always open to us when we needed you and you were always there. Seven children called you "MOM" , four siblings called you "SIS" and hundreds called you their friend. Your work on earth is done, but it wouldn't hurt if you keep an eye on us from above and give us a prod when needed ! We will all try to stay together as always and not fight over your "STUFF"! We will be eternally indebted to "Pat" for caring for you and sharing her friendship to brighten your days. God speed and wear your angels wings proudly as you certainly deserve them!!!

“ *I have so many wonderful memories of Christmas's at Grandpa and Grandma Betty's home as child. She made us the coolest gifts every year and cooked the best dinners. I have a porcelain angel that she made my mother displayed in my living room curio cabinet. I have always loved this angel, and now I will cherish it all the more in her memory.*

“ I remember Great Aunt Betty fondly. I would often visit with my Grandmother, Francis, who passed away last February. I remember playing in her home and listening to her and my grandmother chat and laugh. She will always be a special memory and in my heart. My sympathies are with her family and close friends who have lost such a special and loving person. I never saw her angry or heard her utter a bad word about another person. She was always smiling and laughing as she spoke. I am sorry I am unable to attend the ceremonies but I am sending all my love and she will always be in my heart and thoughts.
