“ *My fondest memories of Betty were at our prayer shawl meetings. We solved a lot of the world's problems as we knitted and chatted. And then we moved to Wendy's for our long lunches. Betty was a very caring, dedicated worker and so talented with her needlework. She always enjoyed hearing about the antics of my grandchildren and I know she loved children. She often spoke about the different kids she had cared for over the years. Rest in peace, Betty. .*

“ I send my deepest condolences to the family and friends of Mrs. Upchurch. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. Please visit our website at jw.org if you want to learn about this beautiful hope and more.

“ Dear Joann and Henry, I know your heart must be heavy during this time of sorrow. Our prayers and sympathy go out to you and your family. Although I did not know Ms. Betty that well, I thought she was a very nice and friendly person. I remember sitting outside in the driveway talking with you Ms. Betty, one afternoon. I am so very sorry for your loss. As time goes on the heaviness in your heart will become lighter, and you will always remember the wonderful memories and times of laughter. Please let us know if there is anything that we can do for you. You are in our thoughts and prayers during this time.

“ Dear Joanne, Henry, and family, I'm so sorry for the loss of your mother. She was a sweet lady...a good soul and I really enjoyed my visits with her. I thought she was spunky and so easy to talk to. I'm so glad I got to see on her birthday. She looked so good and enjoyed seeing all her friends. May God comfort you as you grieve her loss.
