“ *I am very sorry for your loss. My Mother just found out on August 16th about her cousin, Elsie's passing. As you can imagine she was very upset to find out so late about the passing. She did want the family to know though that she does send her prayers and knows that her cousin is in a better place without pain and suffering.*

“ *My deepest condolences to the family for your loss. Psalms 90:10 says that the days of our years are 70 years, And of because of special mightiness they are 80 years. Very special indeed!*
