

Emma Elisabeth Raymond

August 14, 2002 - September 24, 2023

Emma Raymond, aged 21, a beloved daughter, sister, friend and resident of Mooresville, North Carolina, went home to be with her Lord and Savior Jesus Christ unexpectedly on September 24th. Emma's bright and beautiful spirit touched the lives of all who had the honor of knowing her.

Born in Waterville, Maine, Emma moved to North Carolina during her high school years, where she quickly adapted and began to embrace her new southern home. Despite moving South, Emma remained true to her New England roots, as she was an unwavering fan of the New England Patriots. Go Pats!

If she wasn't at work or school, you could typically find Emma curled up with a good book. Emma loved to read and it wasn't unheard of for her to finish an entire novel in one day.

Above all, Emma's heart overflowed with love for her family, especially her siblings. She was a proud big sister and an incredible role model.

Emma graduated from Mooresville High School, and was pursuing a nursing degree at Mitchell Community College, in hopes of becoming a Pediatric Nurse, which was inspired by her love for children. She often volunteered with the children's ministry and loved to babysit. Emma's commitment to academics had earned her a place on the Dean's list, a testament to her hard work.

Aside from diligently pursuing her career and education, Emma found joy in traveling, especially cruising. She cherished the moments spent on the phone with friends, and relished the time she spent with her loving boyfriend.

Emma's outlook on the world was refreshing and her laugh was infectious. To know Emma, was to love Emma.

Emma leaves behind a loving family, who look forward to being reunited with her in due time, including her father, Matt Raymond, and mother, Katie Raymond; her sisters, Lucy, Madelyn and Ava; and her beloved brother, Levi. Emma is also survived by her biological mother, Amy Richards, and her grandparents, Vicky and Jim Maloy, Jim and Robin Guzofski, Milt Raymond, and Edward and Sally Hermann, in addition to a multitude of cousins, aunts, uncles, and countless friends.

Although Emma may no longer be physically here with us, her memory will forever remain alive in our hearts, as we remember the beautiful soul who brightened our lives and left an unforgettable mark on this world. She was taken from us far too soon, but her legacy of love, ambition, and kindness will continue to inspire us all.

A celebration of Emma's life will be held on October 13th, 2023 at 4:00 P.M at Christ Community Church in Mooresville, NC (615 North Main St).

In lieu of flowers, the family kindly requests donations be made to the Mitchell Community College Nursing Program. Emma's family would like to extend their heartfelt gratitude to all those who have offered their condolences and support during this difficult time.

“ Grammy and I recently returned from NC with our other granddaughter Ava. Emma's celebration of life was beautiful and Emma wouldn't have wanted it any other way. I thank Matt, Katie, family and friends for putting this together. My story of Emma was when she was living with us off and on when she was 3- 4 years old. One day I was taking her to Miss April's Day care in Vassalboro, Me.and she decided she didn't want to wear the orange hair braid she had in her long thick hair. She said" here Bampi hold this til I get home later " I said ok,I'll put it right here on my truck blinker. Well,Emma being a kid totally forgot all about it. 18 years later It has hung on my blinker of many different trucks and has logged thousands and thousands of miles with me. When I had a bad day I'd look at it and it would cheer me up. I will keep this braid in my vehicles til eternity ❤️. Hug your kids and grand kids as much as you can.Bambi

“ My beautiful Emma, it has been 19 days since you left us and today we celebrate you and remember all that you are to us. You were such a gift to this world, you're our sunshine. I'll never forget the day we first chatted on the phone and the way you interogated me, making sure I was good enough for your Dad. So thankful I answered all of your questions right or who knows where we'd be today! 😊 I don't know what I will do without you laughing at my stupid remarks, your beautiful smile, amazing hugs and the way you knew just how to comfort me. I hope Jesus is giving you all of the hugs I've asked Him to. Love you forever, Katie

“ I didn't know Emma that well, but we had a class together in high school. She was incredibly kind and well spoken. She truly exemplified how to be Christ like and a friend to all. I am so sorry to hear of her death, and I am praying for your family.

“ Oh sweet Emma.. We met at the Lowe’s food bakery when I worked there part time. You made working there an absolute joy when the hard days were stressful. You were the one who trained me and encouraged me to eat the cookie dough when no one was looking. I was so happy when you decided to come to my salon and let me cut your hair. It was an absolute privilege to have you come to my lounge to chat and vibe. It was an honor to cut your hair and have you as a guest..I had just sent you a text to let you know I was back from maternity leave, I am so sad and sorry you never got it. I know how much you loved kids and were so happy for me and Lorenzo, I wish you could have met him. We had so many wonderful talks at Lowe’s late at night and at my salon. I admired your hard work and going to school to be a nurse. I loved hearing your stories about your family, school, work, and the Sunday school kiddos. I am so sad to hear you’ve been taken from earth so sudden and soon.. You are a bright beautiful soul and your spirit will absolutely live on. You have touched my life and I am so glad to have met you. Miss you dearly and praying for you and your family.. With Love- MissTifferz
