“ *When I was a young man and a rookie firefighter in the Taunton volunteer fire department, Eric was my Training Officer. He helped shape my fire service career for the next 40 years. Eric also had a passion for teaching fire prevention, to both children as well as adults and I am sure that was impactful on thousands of people in their lives here in Syracuse. He was a staunch supporter of the fire service phrase; there is NO honor in fighting a fire that could have been prevented. Thank you for your service Capt. Peyerson!*
