

Erik Leif Taubman

August 31, 1969 - December 31, 2023

Erik Leif Taubman, age 54, left this world on December 31, 2023, surrounded by the love of his family and friends. He is missed and remembered daily by his wife Lisa (nee Preston), children Neil (Joanna), Melody, and Sam.

Born in 1969, Erik grew up in Nyack, New York, with his parents Paul and Vivi-Ann, sister, Paulette, and brother, Paul. After moving to the Buffalo, NY area he met and fell in love with Lisa and they moved to Dayton, OH, where they married. Throughout Erik's diverse career, spanning various industries, they lived in towns up and down the East coast and finally settled in North Carolina.

Erik was an amazing husband and father who always made it a priority to be home for major family events (coaching baseball, chorus and band concerts, birthday parties, holidays) even when he worked out of town. He found joy in bringing happiness, love, and being a positive father figure to the children he and Lisa fostered. He found immense joy in all their achievements and simply reveled in the privilege of being a husband and father. His devotion to his family is unmatched.

Erik will always be remembered as a steadfast friend, always ready to lend a listening ear, offer advice, or provide guidance whenever needed. He had a remarkable ability to enrich the lives of those around him, choosing to complement rather than complicate.

Erik leaves behind a legacy of love and warmth, touching the lives of not only his immediate family but also an extensive network of close friends who were

like family. While his absence will be deeply felt, there is solace in knowing that his struggle with cancer has come to an end, and he has found peace. Because of his strong faith, he knows he will see us again in Heaven.

Let us remember Erik for the indelible mark he's left on our hearts. May he rest in peace, surrounded by love and serenity. In his honor, please take a moment to say a prayer on his behalf - and perform random acts of kindness in his memory. And as Erik would say, Go Gators!

Cavin-Cook Funeral Home, Mooresville is proudly serving the Taubman family.

“ I knew Erik from late elementary school days and I'd say he was my first friend who was a boy. He was so good-natured, talented and kind. All the more surprising that we watched Texas Chainsaw Massacre with a group of friends at his house as teenagers. Erik was a great person with many facets. We've lost many classmates over the years and I'm just learning of Erik's passing. I wish we kept in touch and I am very sorry for the loss felt deeply by his family and loved ones. His Clarkstown South friends miss him and hope he's at peace. May his memory be a blessing.

“ Erik was my supervisor for a few years. He was always a friend first and always allowed me to take care of my family first as my wife was going through her own cancer battle. He will truly be missed.
