“ Ernie, I'm truly going to miss you. Our time together at BASF was some of the best times of my life. The laughter, the teamwork and our friendship meant the world to me and I will remember them for the rest of my life. Rest in peace, my friend.

Thank you for sharing the video. He was one of the great ones. Luckily his service wasn't in Piscataway, because there isn't a hall big enough to fit all who would have filled. So especially hard when the when a great one leaves us.....

“ Ernest was the only man I ever knew that could walk into a room and immediately put a smile on everyone's face. He was (and always will be) a true friend and confidant. There are so many wonderful memories that I have of Ernest, his smile, the love of his Harley and the love of his friends and don't forget the good times at the Tavern. Linda, you know how much he will be missed. My prayers are with you and your family now and always. As promised I'll always be here for you.
