“ *Nearly every month for the past six years I brought communion to Evelyn in the nursery at FPC. I thoroughly enjoyed our conversations. She was a strong, intelligent, and fearless woman. When she wasn't happy with something she let me know. But I always knew that she would do anything for her friends - and I count myself among that number. Especially I knew that she absolutely loved the babies and toddlers entrusted to her care. The whole church is grateful for her many years of faithful service. She is certainly missed here, but I know that she is now experiencing joy in the presence of her Savior.*

“ Evelyn will be missed here at Maisons on Park. She was strong willed and a strong person and did alot for the homeowners association. Always thoughtful, new tenants always received a surprise in the form of a pound cake. Her sudden passing still doesn't seem real. Goodbye Evelyn, may you rest in peace. Doris and Monte

“ Evelyn was a very caring person and would give you the shirt off her back if you needed it. She worked in the Nursery at First Presbyterian Church, Asheboro, NC for several years. Lots of babies she cared for are now grown and have children of their own now. Which she has cared for some of their children. She loved and cared for these children as if they were her own and they always came first while in her care! I was Evelyn's friend and will miss her very much! I do know she is with her parents and other family members in heaven. No more pain Evelyn and you Rest in Peace!! I Love You!!

“ For longer than we have been members of First Presbyterian Church, Ms. Evelyn has been a fixture in the Baby Nursery. So many sweet little babies have been cared for and loved by Ms. Evelyn. We will miss her dearly!

“ I was very sorry to hear of Evelyn's passing. We went to church together for several years. I enjoyed the way she saw the world in black or white. She never sugared coated anything. I will miss the phone calls we shared. I hope she finds some babies and children in heaven to help take care of, she would enjoy that a lot. R.I.P. friend, you meant a lot to me.
