“ Dear Judy and family: Everett's passing seems like a blur. One morning I was in the barber shop getting grilled by Everett and Duke Energy's billing process brought up for the other men seated in the chairs to comment on, and then he is gone. I miss him greatly and he will not be forgotten nor will his slogan when I paid for the haircut, "I'm just here to serve the community..." What a great guy!!!!

“ Dear Baxter family, "Everett" was my father in laws, and my sons barber for years, and I think my son conned him out of enough penny's for the gumball machine that he probably just broke even with him. May GOD bless you and keep you all during this time, and rest in the fact that he loved life, family, and certainly his afterlife. Kindest regards

Will never forgot your dad taking us sledding on the big hill on Bluefield Road. He was always up for an adventure with his girls and their friends! Praying for each of you.
