“ Dear Evans family--each and all--kind and tender memories flood my soul as word comes of Elaine's transition to Heaven. One of my life's blessings is sharing friendship with each of you---Mrs. Evans (your dear grandmother!), Adrian, Elaine and each of you, their dear children. Heaven holds wondrous attraction!

When your travel this way, please include me IN. At age 83 I find I venture less--and less--far from home.

Please just know of my sympathy and love, particularly in all these days of sorrow and loss.

“ I had the honor of working with Elaine many years ago. She always had a smile on her face and much compassion with those she was caring for. Fly with the Heavenly Angels just like you always an Angel in Earth. RIP my friend.

“ So sad to hear this news. I worked with Elaine for many years at Mooresville Internal Medicine. I loved to hear stories of she and your Dads travels. I know what great care she took of her patients and how she cared for your Dad. I wish your family comfort in the days ahead. Sabrina Jamieson

“ Kelly, Jeff and families,
You can't put into this tiny box what being a neighbor of Elaine's for 40 years means to us. Just being there for whatever is needed- advise when you're sick or cat food for a stray kitten. She was a kind soul that will be missed.
