“ *Fran, you have been my best friend forever. Soul sisters to the core. There are no words to describe this emptiness. I smile when I think about our musical Tourette syndrome. Dancing to music no one else can hear. I love you forever ❤️💕 I miss you for now 😭 I will see you again someday 🙏*

*Always a smile, contagious laughter and stories to pass the day along quicker. You left a impression on us what few months we knew you at work. Your presence is missed , still waiting to see that big smile come thru those doors.*
