“ *I'm so glad I had the chance to know you Tina. I have always called you that. And you called me Jenna. Not many others did and when I hear it I am reminded of you. You were always so thoughtful and sharp. I always felt at home in your presence. I'm sorry I didn't get to wave to you from the crowd at the "Today Show". You had so much time for others and helping them in anyway you could. I love and miss you.*
