“ Ray and I along with Barbara and Frank, Jean and Bob and Jennie and Jim have been good friends for over 50 years. We raised our children together and had many many parties over the years. As we all know Frank was a perfectionist. One party he spent the day before wallpapering one wall in their living room, only to find out he had put it up upside down and spent the rest of the day in to the night fixing it. It turned out beautiful. Now 50 years later Frank would have said "I'll paint the wall..... Frank and I shared our love for music.. When the party was at our house, I would put the 1812 Overture on the stereo and play it loud and when it came time for the canons, I would BLAST the volume. We love it!!! The police only came once. GREAT TIMES!!!!!!!!!!!!!!WONDERFUL MEMORIES!!!!!!!!!!!!!! May Frank rest in peace and God bless Barbara and her loving family. Fondly, Chris and Ray Massaro

“ Dear Barbara, Monica, Adria, Debbie & Paula,

Our hearts are so heavy upon hearing about the loss of this wonderful man and our friend of 67 years. We will always treasure the memories of our high school days and the fun we had raising our kids on 14th St. and then afterward spending time in your warm and welcoming home in Roselle.

We are so grateful we were able to have our short visit this past summer.

Love and prayers to your entire family.

“ Last night I lost my grandpa. He was one of the most caring people in the world. Nothing made him happier than his family and the New York Giants. He spent endless hours building doll houses and villages from scratch for us even when he couldn't see anymore. Words cannot express how much I miss him already but I know he's watching over me eating his KitKats and drinking his Booths betting on his Giants over my Panthers Sunday. I love you Grandpa. Rest In Peace.

“ I have a small American Indian totem Uncle Frank brought back from his time in the Army up in Alaska. I remember being gifted Uncle Frank's "BUKLAREWICZ" uniform patches and his Army company unit patch which featured a four-leaf clover after he got out of the service. Mom sewed the clover patch onto the front of my baseball cap as I hoped it would improve my ability to hit the ball--it didn't, but I had the coolest baseball cap in the neighborhood. Aloha nui loa--a hui hou, Uncle Frank (Aloha with magnitude--until we meet again.) Paul & Arlene Buklarewicz, Volcano, Hawaii
