“ To Buck's family, So sad to receive this notice of Buck's passing! He was a good cousin to me and always ready to visit when I called. After I moved to Va., I didn't get to see him often, but he was a special cousin to me while we were growing up. Since our mothers were sisters, we were able to see each other often. He was always friendly and glad to visit. I called him once in awhile just to catch up. I talked to him in the summer to tell him about a family get together in China Grove, but he didn't make it so I missed seeing him then! So sorry I couldn't make it to the services! services! I'll think of him often. My sincere sympathy to all his family and may he rest in peace! Sincerely, Mary Overcash Diss

“ Tuesday, November 01, 2016 Goble family, 'CLOSE THE GATE' For this one farmer, Frank "Buck" Goble his worries are over, lie down and rest your head, your time has been and struggles enough and put the tractor in the shed. Years were not easy, many downright hard, but your faith in God transcended, put away your tools and sleep in peace. The fences have all been mended. You raised a fine family, worked the land well and always followed the Son, hang up your shovel inside of the barn; your work here on earth is done. A faith few possess led your journey through life, often a jagged and stony way, the sun is setting, the livestock are all bedded, and here now is the end of your day. Your love of God's soil has passed on to your kin; the stories flow like fine wine, wash off your work boots in the puddle left by blessed rain one final time. You always believed that the good Lord would provide and He always had somehow, take off your gloves and put them down, no more sweat and worry for you now. Your labor is done, your home now is heaven; no more must you wait, your legacy lives on "Buck", your love of the land, and we'll close the gate. Sincere Sympathy and Peace to All.
