“ Frankie & Robert Henry and their family have been friends since we met in 1964. They joined Williamson's Chapel soon after we came there fresh out of Duke Divinity School. Their loyalty to the church and their "good common sense" were a delight to us as we entered the world of Christian ministry. Frankie was a great listener and when she spoke we knew we were hearing good advice. No one could be a better friend. Our loss is God's gain and the angels in heaven are rejoicing as this wonderful lady joins their ranks.

“ I worked at Lowrance Hospital with Frankie in the 70's. What a joy and a wonderful nurse. Robert Henry and my mother, Majel Howard Sines were cousins. Thinking of the family and you are in our thoughts and prayers.

“ Frankie & I worked together @Lowrance Hospital. She was always smiling & had such a passion for nursing, for her patients. No matter how stressful the day, Frankie was always willing to pitch in with whatever needed to be done. She will be missed but she will always be remembered. Nursing was second only to her family. Thoughts & prayers are with you.

“ What a wonderful woman. She blessed all that knew her. I worked with her many years ago and always prayed I would be the sweet and kind woman she always was. I remember how well she took care of everyone; patients, their families, coworkers and most of all the love she had for her family. RP beautiful woman.

“ Robert Henry and family, You are in my prayers during this sad time. "Miss Frankie", as I always called her, was a gem of a lady and such a wonderful, caring person. There's a new voice in God's choir of angels now - one that was welcomed with open arms. She will be missed by all who knew her. God Bless you and your family.
