“ Doug and I and very many great friends could have been any John Hughes film in the 1980s. Doug brought a style and taste for the finer things. He introduced me to steak tartare and fine piano music. He was a landmark of my teens and early 20s. We went different ways after I got married (he played at my wedding) and had a child. But, I have never forgotten him and think of him often. A light that burns twice as bright and half as long. Rest in peace my friend. Love and comfort to his family ❤️

“ Doug and I had some GREAT times in high school!! The most memorable was one night when we were riding in the car with Cathy Tucker (now Murphy) in her momma's big ol' Cadillac and we flew over "hump back bridge" (Overhead Bridge Rd. in Mooresville at approaching Mazeppa Rd.)!!! We literally went airborne, McDonald's french fries went everywhere, Doug was in the back seat and his fanny came off the seat and his head hit the roof of the car!! Cathy almost lost it and sparks were flying from under the car where the skid plates and muffler were bouncing on the pavement!! We finally came to a stop and we couldn't believe we were alive and then couldn't stop laughing!! We also had some great times out at the lake and our great times hanging out with Randy Oswald. Some of the best times of my life. I will miss you, my friend. Your life wasn't easy and your path was never straight. But you had a genuine heart for those you cared about and I loved you dearly. Rest in peace, my friend.

To Brenda I have no words other than I love you and I'm so sorry. I hope Doug has finally found his peace he deserves it. Have someone hug you tight . . . that's me hugging you!!

Love,
Gwenna
