“ I was privileged to work closely with Fred during my tenure at UCC. I admired him for his dedication to our students, commitment to his professional development and pride in his performance. He could also be counted upon to add a bit of levity to our daily workplace. My most sincere condolences to his family.

“ Fred and I worked together at UCC many, many years ago. I will remember him not only as the best coach the Lady Owls ever had, but also for his crazy funny sense of humor. My deepest condolences to Fred's family. He has left you far too early. May your memories of him always give you comfort -- and a good laugh from time to time.
