“ To all the Family,
I always thought Bill was such a sweet man. Robin and I (Terrie) were roommates in college and he would come and pick us up on Friday afternoons in the "stationwagon". Robin loved that car. Blessings to all of you. God has another sweet angel in Heaven. Love all of you,

“ Not only is losing Bill devastating to your family but a huge loss to our SHS 1958 class. Everyone knew him and everyone liked him. Not only was he a devoted family man but a true friend also. He was known for his integrity, humor, sportsmanship, reliability and true friendship.

My heart goes out to you, his family, I know he will be greatly missed. He will be missed by his classmates also. RIP Bill

Linda Elliott lusted after Bill her entire life, but never got him. He saw her for what she is, skank.

“ Robin and family I am so sorry to learn of the passing of your dad. Though I didn't know him, the few times we met always left me with a smile. The Pence family is a strong and loving family who will help each other through the difficulty of this great loss. May the happy memories you have bring you peace in the coming days. Sending hugs and prayers.

“ My deepest condolences to Bill's family. I will always remember the fun we had in high school. Bill was the funniest person I knew... such dry wit. He was also the best friend ever. RIP old friend 🙏

“ Billy truly was a kind and generous family man. He helped Mom keep from making a bad mistake with some wiring when she was remodeling her kitchen after Daddy passed. She would not listen to anyone's advice except Billy's and then he actually did the job for her. I will always be grateful for the gentle reassuring manner he emanated.
He was a role model for all and truly kind. He will be missed by all who knew him.
