“ *I just stumbled upon this looking for another obituary...so sorry to hear of Gary's passing. I worked with him at Rogers American years ago. He was a great man, loved his Lord and his family. I am blessed to have known him, and I'm confident I will see him again. God's peace to his family.*

“ Betty and Kids, This is such a huge loss to all that knew Gary, he was a terrific guy and will be greatly missed. He was the best friend and boss that a person could ever ask for, I do not know anyone that did not think the world of him! His humor and genuine care for others spoke volumes about Gary's character! Everyone knew how devoted he was to his family, he adored his wife, kids, and grand-kids! Gary's sickness was an on going battle for years, he had more struggles and endured more pain than anyone I know, but was resilient and determined to fight for another day that turned out to be years. He got to see his children married, his grandchildren born/partially grown in-spite of the years he battled this cruel illness. I want to thank Gary again for serving God and our country, his dedication to his family, and his friends. I can't go without saying, thank you to his wonderful wife Betty Jean for her years of care, dedication and love as she stood by Gary's side on a roller coaster of emotions till the very end! I will miss you Gary and so glad it does not end here, I have peace in my heart knowing we will be reunited again... so happy you will never have to face death again, no crying, or pain! See ya later Gary, your friend, Teresa Clanton
