“ *Dana, Austin and Ella, I'm so sorry for your loss. My thoughts and prayers are with you and your Family. I remember when you guys invited me, my Mother and Brian over for dinner, when we first moved here years ago. Sonny was so nice and very kind. I'm so glad that I got to meet him.*

“ To Sonny's family and especially to Darlene and Jimmy, Words can not express the feeling of sorrow and loss I have in my heart. Sonny touched us all. I loved growing up with you guys. And I know my Dad loved you all, but he had a special bond with Sonny. Probably the fact they were both "NO BS" type of personalities....LOL!! I have added this picture of when he went to the west coast with Sonny. He had the best time. And it was because he got to spend that time with Sonny. And he would always talk about and laugh about the craziness that came with being the designated driver for those christmas parties or banquets. You will all be in my thoughts.

“ To Dana, Darlene, Jimmy, and families, words can not express how sorry we are to hear of the sudden passing of Sonny. When I was a kid I thought it was the greatest thing to be in the garage at George and Betty's house as George and Sonny along with my Dad would be working on the race cars. I know that was the start of my love of auto racing. I will also always remember when Sonny took me to Flemington Speedway in the Ken Schrader hauler for the Busch North race and got to personally meet Ken. Then when I got my first car, the 1973 Oldsmobile from Uncle Russ, Sonny helped me sand it all down and put a nice dark blue paint job on the car. When Lori and I decided to get married, I asked Sonny to be my best man. He accepted and we had two weekends we could have the wedding due to his NASCAR schedule. Sonny was a great man and will be extremely missed. Our deepest sympathy goes out to the entire family. Eddie, Lori, and Troy Estelle Manchester, N.J.
