“ My thoughts and prayers go out to the Whitman family. George was one of a kind and I will always remember him. Jessica, you and that grandbaby meant the world to him. I don't think there was ever a time I was around him that he didn't mention you guys or want to share a picture of that precious baby girl. I can't imagine the pain you are feeling. Staci, you had just been given back your second chance- I am so sorry you are having to go through this. May God wrap his arms around each and every one of you. George was an amazing man and will be missed by so many.

“ How do you say goodbye to someone like George? Just no words to describe just what a good man he was! Not saying goodbye, just saying "I love you and will miss you until we meet again one day!". Love and prayers to all the family and friends
