

George Scott Richardson

August 2, 1952 - November 6, 2022

George Scott Richardson, 70, of Denver, NC, passed away on Sunday, November 6, 2022, at his home. He was born August 2, 1952, in Knoxville, TN, to the late James Richardson and Jean Sharpe Richardson.

Scott graduated from Eastern Michigan University with a BA in business, and from Campbell University with a master's in business and marketing.

Scott met Julie Barton Richardson in 1967, and their lifelong love affair began. In 1977, they were married and have spent their lives together growing, learning, traveling, exploring, and experiencing all their hard work afforded them.

Scott retired from Newell/Rubbermaid in 2006, as a VP of Distribution and Logistics after years of service and leading companies such as Abbott Labs, addidus, Black-N-Decker, Converse, Pass and Seymore LaGrand and Newell/Rubbermaid in their US and worldwide distribution and logistics performance. During these many years, he formed lasting friendships with so many fellow teammates that have continued until his passing.

Scott and Julie loved traveling, time spent with family, friends, friends that have become family, being on the lake, and yes, he enjoyed fishing. Scott loved having a group of friends to entertain and he always had a few jokes to tell, bringing laughter to everyone that he met.

Scott's one other love was his Vizsla, Sophie. He adored Sophie, his 4-legged furry baby girl, and she loved her "daddy".

Scott is survived by his loving wife, Julie Barton Richardson and his fur baby, Sophie; a sister and niece.

There will be no services as was Scott's request.

Cavin-Cook Funeral Home and Crematory, Mooresville, is serving the Richardson family.

“ *Dear Julie,
Upon hearing the news of Scott's passing, Toni and I were deeply
grieved.
Scott was one of my students at River Rouge High School and
continued to stay in touch with me.
He and his classmates were exceptional students and intellectually
challenging and a joy to teach.
I will miss his phone calls and political adversarial discourses.
Please accept our condolences.

*Julie, i just saw this about Scott. I am so sorry to hear of your loss. It's
been a while since I've seen you guys but I have thought of you often. I
remember my buddy during our Converse days and all the fun we used
to have. Time is passing us by and me and Libby are so sorry for your
loss.

*Both my Dad and I worked with Scott at Converse back in the late 80's
in Charlotte. I thought Scott was a great guy and extremely smart
person. He always had me on my toes. I often wondered about him
since my dad passed in April 2022. I am so sorry to hear Scott passed.
