“ *My thoughts and prayers are with you and all of the family. I worked with Georgia at Mercy Behavioral Health. We had some good times when working. We lost contact when she left her job. She was a good friend to me. Again, I will pray for the family. It must be rough on all of you, especially the grandkids.*

“ *My thoughts and prayers are with you and your family. I am so sorry to hear about the passing of Georgia. I was the neighbor of the Duritza's on Perri Drive.*

“ Shannon, My mom just told me the news (you know that Pittsburgh network!). Know that while time and distance separates us, friendships are forever. Call me when you are ready. Your mom loved you tremendously and was so proud of you. She knows how much you loved her and took care of her, from your mother-daughter movie dates in high school to moving her to NC to be with you and your family. I will be thinking of you during this difficult time, and sending hugs your way.

“ I know the sudden death of your Mom was a shock. There was no time to prepare or to say goodbye, which makes it harder to bear. Remember your Mom knew she was cared about and loved, mostly due to your and Matt's efforts. Let your fond memories carry you through this difficult time and know that I'm here for both of you. Love, Mema
