“ Jerry always had a smile on his face. We met him and Hedy in Midland in the mid 70's and we stayed in touch after we both left. He sent us a message for the birth of each of their grandchild. He was very proud and happy. We love you Jerry and we will remember all the happy memories we had together. Rest in Peace. Love, Bob, Ligaya, Yumi and Anna

“ Jerry and I have been friends since third grade. He sat behind me in class and pulled my pigtails. We always talked about riding our Sea Doo's from Florida to the Bahamas. I regret we never got to do that. Thanks to texting, we kept in touch with him, Hedy, Claudette, and sister, Debbie. He brought 2 of his grandsons to the SALEM Speedway to indoctrinate them! As he would say. He loved his family and friends, always asking about his old classmates. We talked (texted) often about our grandchildren, he was proud of each one of his. It's hard to say something that hasn't been said, so I'll steal a note from Winnie the Pooh, “how lucky are we to have a friend that makes saying goodbye so hard?” Not an exact quote but close. 🤔😌😞

“ I had the pleasure of knowing Jerry through Golden Boys and we also served together several years on the Mooresville Kitchen/Feed NC cook team. While cooking, we had the opportunity to talk about our mutual interest of family, cars and life lessons. I always knew we would have plenty to discuss when together. A special person who will be very missed. Our thoughts and prayers are with you and your family. Chuck & Jean Twilley
