“ To my favorite Uncle, the coolest Uncle, a day won't pass that I won't miss you. Our childhood was so fun and carefree with you and we had a lot of amazing memories. You gave me my first babysitting job watching the boys and you let me treat them like they were my babies. You were the most kind, gentle soul. There aren't enough words to even begin to explain the impact you had on me and will always have on my life. Until we meet again, I'll be missing and loving you. Love, Annie

“ I am the luckiest man on Earth to have an Uncle like my Uncle Jerry. He had an old soul who taught me so much about what it meant to be a man. He was a man of few words but when he spoke everyone listened. He was very smart and uniquely ambitious in everything he did. Although, my military service physically separated us for too long our hearts were always connected. He would call to check on me and I always knew if I needed sound, well thought out advice he was only a phone call away. I will always strive to be like him with his cool, calm, and collected attitude who would help anyone that needs it but I will undoubtedly come up short.

I will always fiercely love and admire him. I find comfort in knowing I will see him again in Heaven.
