“ *Davies was a great neighbor for years in Davidson and an even better friend. We had many, many enjoyable times together like building a chicken house for my wife, working in my woodshop on projects (he was an excellent finish carpenter and taught me much), going to Chic Filet for our milkshakes (never could understand why he only wanted vanilla flavor) and our many trips to the hardware store together (whenever I went I most always stopped by to pick him up after Alice told me it was fine for him to go!).*

He will be missed terribly and always fondly remembered.
