“ I will always remember the little sister following Donna and me around. My heart is breaking for the family that I will always consider as my second family. I know there are no words that will comfort you Momma Linda, but her pain is over and she is with our Lord now. She will always remain in our hearts until we see her again. Donna you are my best friend and my inspiration. I wish I had a fraction of your strength. Even if I'm not beside you physically, you are always on my mind. Ginger will be terribly missed as she has left us way too soon, but she will always be in our hearts. I love you all forever. Gina

“ *I can't believe you're gone so soon. Such a fun, beautiful soul, a great dance partner and you had a laugh that would light up a room in a minute. I never questioned whether you loved me or not, you told me all the time. I'll miss those messages in my inbox. I will miss you dearly. I love you sweet lady, rest easy forever! ❤️*
