He was currently working as Claims Manager (Executive) at Coca Cola Consolidated in Charlotte, NC. Due to the change in his health status, he was working remotely from home. He loved his Coca Cola! Earlier in life Cleveland moved from Mooresville to Surgoinsville, TN to live with his mother and new spouse Smokie I. Ward. He graduated from Sevier County High School in 1985. He attended the University of Tennessee in Knoxville pursuing degrees in Accounting and Business Administration. Always a go-getter Cleveland would work as a DJ getting gigs in Knoxville and surrounding areas for entertainment and networking. After graduation he accepted a job as a bookkeeper in Oak Ridge, TN at the bomb factory. He streamlined their procedures of Risk Management, Financial transactions, daily income sales and corporate payments. Cleveland was drawn to Kentucky for a better change of atmosphere. He planted roots to further his education. There he would go after his master's degree (MBA) in Business. Afterward, he took a new occupation at Schnieder becoming a Property and Casualty Administrator. He also took on collateral duties involving Safety and Claims. Things didn't slow down for him at this point-He was offered a position as Senior Underwriting

Specialist at Great West Casualty Company. While at this institution he garnered many awards Risk Management, Compliance and (IAIP) International Association of Insurance Professionals. Cleveland would go on to be a guest lecturer at different conventions. Cleveland's love for Mooresville brought him back where he shifted gears and got his Class A license. He had a knack for High power machines and trucks. He worked in Taylorsville in Alexander County for a brief period and found a similar job in Mooresville. He went from Heavy Equipment Operator to Waste Management Supervisor for Iredell County. Always willing to help the public he made it his mission to make a safe work environment and find new innovative ways to promote positive input. During The Pandemic, Cleveland was recruited to work as an Insurance Investigator for the State in NC. He maintained an office in Raliegh-but, evidentially was working from home.
