“ *Dear Peter, Mark, Darrin, Marcelle and all the family Our thoughts and love are with you all at this sad time. Such fond memories come flooding back of all the adventures we had growing up in Hillside. Although times and distances between us all have changed, the love, guidance and memories dear Lyn provided so generously will be with us always. Lots of Love Ken & Janet*

“ Dear Peter, Mark, Sandy, Darrin, Edz, Celle, Chris and your families! can't express just how sad I am that Lyn has passed away. She has always been my other Mum. Loving, kind, supportive no matter what. Always part of the music of my life. Some of my fondest memories include Lyn : eating chili bites at 5pm in the kitchen, learning how to knit and crochet in the lounge, playing hockey in the back garden, listening to records, mince on toast. And more recently, in NC, sitting chatting about life on the dock whilst all the kids leap into the water. She was much loved by everyone who knew her and that is a huge testament to who she was a person. You are all in our thoughts and prayers. Sorry we cannot be with you today to celebrate her life. “ There are very few people I know that can honestly say they really love their Mother-in-Law.... I am very proud and grateful that I can truly say this... and more.Mom - you showed me such acceptance and love. You embraced me as one of your own. You called me your "daughter". You supported and encouraged Darrin and I, and our kids in everything we did, and you allowed us to be a family with such admiration and love for us all.I'll never forget the delicious Sunday roasts... the Wednesday evening s'getti.... the curries and bajiaks...the lemon merangue puds and jellies... and whoever would think doing dishes as a family would be so memorable?!!Playing "oh hell" and "max n jax" whilst drinking milky coffees and munching jelly babies... surrounded by humming fish tanks and various pets at our feet. And all the sewing and knitting you did so lovingly for your "grandbabies" :)All these make such sweet beautiful memories of a dear lady who put her family first, and loved so fiercely and sincerely. You made such an impression on my life and I will never ever forget you Mom! With loving memories and deepest gratitude for you - Edz

“ Though distance keeps us apart, please accept that all the family and friends will be in our thoughts. May the positive impact of Aunt Lyn had on others be her living legacy and the fond memories of her bring us comfort during this time of grief. May her kindness never be forgotten. With love, Bart and Pam.

“ Dear Aunt Lyn, you shall be so very missed by all whom were lucky to be a part in your life! We have many happy memories to draw from, but that doesn't mean we will ever stop missing you! Sending so much love to Uncle Pete and your precious children (our brothers and sister from another mother) and grandchildren there are no words to numb the pain. But know she's busy in heaven sorting out my Dad, Wayne and Jason as well as Bern and Loreen. Sending all our love and prayers across the seas, trudy, rob, adam and Ross
