

Dr. Harding Winslow Rogers, Jr

October 1, 1936 - June 25, 2020

Harding Winslow Rogers Jr., DDS, 83, of Mooresville, passed away on Thursday, June 25, 2020.

Born October 1, 1936 in Mooresville, NC, son of the late Harding Winslow Rogers Sr. and Mary Agnes McNeely Rogers and survived by his brother Bryant Kilpatrick Rogers. Immediate family surviving are his wife Peggy Mott Rogers of 62 wonderful years. Surviving also is his daughter Mary Vivian Rogers-Cannon and husband Dylan; son Harding "Winslow" Rogers, III and wife Laura; and grandchildren Beth & Doug Cannon, and Vivian Rogers.

Dr. Rogers was born and raised on Main Street, Mooresville, NC. He graduated from Davidson College and the University of North Carolina School of Dentistry. He served his country in the Navy and then he and Peggy returned to Mooresville to start a practice and raise their family. Dr. Rogers practiced for 34 years as a general dentist, where he was admired for his clinical excellence and loved by his patients and staff.

Other passions in his life were his farm, his family and his fishing buddies. His farm is where he raised beef cattle and brought his children up knowing the dignity of doing things correctly and the glory of an honest day's work. Times with family and friends working on the farm with us bring memories of much laughter and much more sweat! His fishing & hunting trips with his buddies

were precious and relaxing! He touched the lives of many people through his concern for everyone's well-being, as well as his silent benevolences.

He was a lifelong member of the First Presbyterian Church of Mooresville, where he served as Deacon was Moderator of the board of deacons; Stephen Minister and Stephen Ministry leader; multiple years as president of the men's Bible class.

In his civic life, Dr. Rogers was president of the Mooresville Rotary club, a Masonic Mason, as well as a founding member of the DIFF club.

A Celebration of Life will be held outside at 7:00 PM on Saturday, June 27 at his home. All safety guidelines will be followed.

“ *I cannot tell you how much Dr. Rogers has meant to me and my daughters. We have so much love and admiration for this man. He has been such a big influence to us. He took a chance on me, a single mother of three daughters and gave me a career. There is no way to repay him for that. He is a man of great memories and story telling. So many stories of growing up in Mooresville and it's people, his love of God and his church, His hobby of working on the farm, and tales of fishing in the Outer Banks and of course his fishing buddies. I loved working with him. We are sending our prayers and heart out to His Beloved Peggy, Vivian, and Winslow. He will truly be missed 🙏❤️*

Just learned of Dr. Harding Rogers death. Wow I always loved going to see him. That red dot I'll never forget. He loved what my orthodontist and always said "he did a damn good job on your teeth. Wasn't to bad to look at it you had to go to the dentist!
